## Release Form

**Author: David G. Anderson**

**Chapter: Monumentality in Eastern North America during the Mississippian Period**

I am contributing the above-named chapter to a book to be published by the University Press of Florida, presently entitled *Early New World Monumentality* by Richard L. Burger and Robert M. Rosenswig. I hereby assign all publishing rights, including digital rights, to this chapter to the publisher for the duration of the availability of this book. In return, I will receive 1 complimentary copy of the book, and the ability to purchase copies of this volume at 40% of list price, plus postage and handling, from the University Press of Florida. These copies are not for resale, and I understand I must identify myself as a contributor to receive the discount.

By signing this release form, I guarantee that the work is my own, that I am proprietor of it, that there are no encumbrances – whether libelous or from another’s work – on it. I hold the University Press of Florida harmless from any action that may be brought against them in the publishing of this work.

I will read proofs promptly and return them to the Publisher within a week of my receipt of them.

If this book goes out of print for three months, all rights to my chapter revert to me, including the right to publish the work elsewhere. Should I wish to publish the work in another form elsewhere, I understand I will need written permission from the University Press of Florida to do so.
